

How to View Test Results

2018 CAASPP Test Results (Revised September 28, 2018)

- [English language arts/literacy and mathematics](#) (Smarter Balanced and California Alternate Assessment)
- [2018 CAASPP Test Results news release](#)
- [California Alternate Assessment \(CAA\) summary results](#) – Student results for the 2018 administration of the CAA.

- 1 Navigate to <https://caaspp.cde.ca.gov>.
- 2 Select the **California Alternate Assessment (CAA) Summary Results** link.
- 3 Select a year from the **Select Year** drop-down menu.
- 4 Select the **Apply Selections** button.
- 5 Select the county, district, and/or school for which you want to view results.

i *County, district and school are optional search fields. If only a county is selected, countywide results will be displayed. If county and district are selected, districtwide results will be displayed. If all three are selected, schoolwide results will be displayed. If no options are selected, statewide results will be displayed.*

County, District, or School Search Test Results

County:

District (includes [Direct Funded Charter Schools](#)):

School:

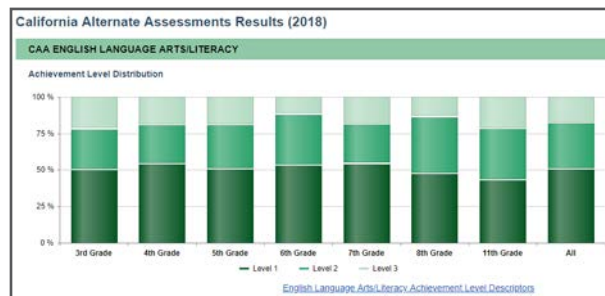

View Test Results

- 6 Select the **View Test Results** button.

i *A keyword search box also is available. Enter the name, county-district-school code, or zip code and select the **Keyword Search** button to display available options. Then select the **View Test Results** link next to the county, district, and/or school for which you want to view results.*

- 7 Review data as needed.

i *Graphs and tables are available for both English language arts/literacy and mathematics that show the percentage of students in each of the four performance categories, by grade.*

i *Hovering over any area of the bar chart will display the percentage of students in that level.*

i *Additional information for each grade, including the number of students enrolled and tested, the mean scale score, and the percentage of students in each performance level, can be viewed by selecting on the triangle to expand any sections in yellow.*

i *Hovering over the row labels will display additional information about the data in that row.*

Data Detail - All Students (accessible data)

Overall Achievement

Achievement Level	3rd Grade	4th Grade	5th Grade	6th Grade	7th Grade
