

How to Start a Practice Test

1 Navigate to <http://www.caaspp.org>.

2 Select the **Practice & Training Tests** button.

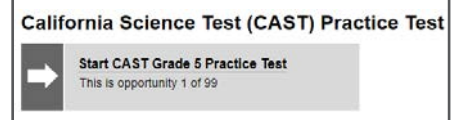

3 Select the **Student Interface Practice and Training Tests** button.

4 Select the **Sign In** button to sign into the test as a guest.

5 Select either grade five, eight, or high school from the **Grade** drop down menu.

6 Select the **Yes** button.

7 Select the California Science Test (CAST) practice test.

i Assessments are identified by name of test, grade, and content area. Additionally, they are color coded gray.

8 Select any test settings as needed.

i The practice tests are ideal for teaching students how to use the available supports.

9 Select the **Select** button.

10 Review the test settings and select the **Yes** button if correct.

i You will see the **Sound and Video Playback Check**.

11 Select the **Play** button.

12 Select either the **I Could Play the Video and Sound** or **I Could Not Play the Video and Sound** button, depending on which option applies.

13 Review instructions and select the **Begin Test Now** button.

14 Start answering test questions.

i For information on scoring go to the *Scoring Guides for CAASPP: CAST, Smarter Balanced, and CAA* at <http://www.caaspp.org/ta-resources/practice-training.html>.
