**Subject:** SCHOOLS WANTED--CAA for ELA Second Score Research Study Recruitment

*Measuring the Power of Learning.™*

Dear LEA CAASPP Coordinator:

Educational Testing Service is looking for schools to participate in a research study for the 2018–19 California Alternate Assessment (CAA) for English language arts/literacy (ELA) during regular test administration. For every participating student, his or her school will be compensated with a \$30 Amazon gift card allocated for classroom supplies.

**Who are we looking for?**

ETS is looking for California schools with more than five eligible students in any of grades three through eight taking the CAA for ELA.

**What will happen in this study?**

For items the test examiner scores, a second test examiner you assign from the school at your local educational agency (LEA) will provide an independent score. Each scorer will need to observe the administration of, and provide second scoring for, approximately two to three questions per student.

**When will this study occur?**

The study will occur during regularly scheduled testing for the school.

By participating in this study, your school will contribute to improving the CAA for ELA for students. To express interest, please [submit the online form](#).

If you have any questions about this study, please contact Grace Yoo by phone at 916-403-2435 or by email at [gyoo@ets.org](mailto:gyoo@ets.org).

Sincerely,

Grace Yoo
