**Subject:** CAASPP Notification--Practice/Training Tests Unavailable May 2, 8-10 a.m. PT

*Measuring the Power of Learning.™*

Dear LEA CAASPP Coordinator:

We are currently experiencing some high user volumes of the California Assessment of Student Performance and Progress (CAASPP) systems. In an abundance of caution to maintain smooth operations of the CAASPP assessments, the CAASPP practice and training tests will be unavailable from 8 a.m. Pacific time (PT) to 10 a.m. PT on Tuesday, May 2, 2017. I would like to emphasize that all CAASPP systems are running well with no issues. We are taking this step to ensure a positive testing experience for your students and test administrators. We will post an alert on <http://www.caaspp.org> when the practice and training tests become available again.

If you have any questions about this e-mail, please contact the California Technical Assistance Center (CalTAC) by phone at 800-955-2954 or by e-mail at [caltac@ets.org](mailto:caltac@ets.org).

Thank you for your continued support and patience!

Sincerely,

Mary Anne J. Arcilla  
Senior Director, CAASPP Operations
