Measuring the Power of Learning.™

Dear Educator:

On behalf of Educational Testing Service's California Assessment of Student Performance and Progress (CAASPP) office and the California Department of Education, we thank you for your participation in the CAASPP Assessments administered across California this spring. We invite you to participate in the [2017–18 Post-Test Survey](#), which will provide us with valuable feedback regarding improvements to resources, the usability of various test administration systems, and the lessons learned from your administration experience.

Questions about the survey should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
