**Subject:** CAASPP--2017-18: CAA for Science Test Examiner Survey Now Available

*Measuring the Power of Learning.™*

Dear LEA CAASPP Coordinator:

The [test examiner survey](#) for the 2017–18 California Alternate Assessment (CAA) for Science is now available on the CAASPP Portal [CAAs](#) Web page. Feedback on this year’s pilot provides crucial guidance on test administration procedures and design for the development of CAA for Science field test. The survey will take approximately five minutes to complete.

Share the link to the [CAA for Science Survey](#) with test examiners in your LEA so they will have access to the survey after they have administered the CAA for Science.

Questions about the CAAs and all other topics regarding the 2017–18 CAASPP administration should be directed to the California Technical Assistance Center by phone at 800-055-2954 or by e-mail at [caltac@ets.org](mailto:caltac@ets.org). Thank you for your assistance.

Sincerely,

California Technical Assistance Center
