Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

The Standards-based Tests in Spanish (STS) will be delivered online during the 2017–18 CAASPP administration. This will be the final administration of the STS, which is being replaced next year by the California Spanish Assessment.

The STS testing window runs from February 28 through July 16, 2018. Local educational agencies (LEAs) administering the STS need to whitelist the following URLs on any local networks used for testing to ensure access to the online test delivery system:

- <https://cde-sts.smarterbalanced.org>
- <https://cde-sts-tds.smarterbalanced.org>

To administer the STS, test administrators must be assigned the test administrator role in the Assessment Registration Tools (ART). A video is available on the [Primary Language Assessment—STS for Reading/Language Arts](#) Web page that will demonstrate how to add and manage users for the STS in ART. The following resources also will be linked on the STS Web page when they become available:

- *The STS Test Administration Manual*
- ART Web site
- STS Test Administrator Interface

Questions about online delivery of the 2017–18 STS and all other topics regarding CAASPP administration should be directed to the California Technical Assistance Center (CalTAC) by phone at 800-955-2954 or by e-mail at [caltac@ets.org](mailto:caltac@ets.org).

Sincerely,

California Technical Assistance Center
