Subject: CAASPP--2018-19 Scheduled System Downtime

Measuring the Power of Learning.™

LEA CAASPP Coordinator:

As part of the transition to the 2018–19 school year, various CAASPP systems will experience the following scheduled downtimes:

- **Wednesday, August 29 through Monday, September 3, 2018**
- **Thursday, November 1 through Sunday, November 4, 2018**
- **Friday, January 4 through Monday, January 7, 2019**
- **Thursday, March 28 through Sunday, March 31, 2019**

Note that the November downtime is an additional downtime for 2018–19. Systems may go offline the day prior to a scheduled downtime (no earlier than 5 p.m.) and will resume by 8 a.m. the day following the resumption date. Additional details about impacted systems are available on the [CAASPP Planned System Downtime](#) web page. Select the downtime dates listed on the page to determine which systems will be inactive.

Impacted systems may include the following:

- Test Operations Management System
- Test Delivery System
- Test Administrator Interface
- Online Reporting System
- Appeals/Completion Status/Roster Management System
- Interim Assessment Viewing System
- Interim Assessment Hand Scoring System

The web page also includes any scheduled weekend maintenance downtimes. Maintenance days are placeholders for periodic system upkeep, to be used only if needed.

Please notify all CAASPP test site coordinators within your local educational agency (LEA) of upcoming downtimes.

Questions about scheduled downtimes and the 2018–19 CAASPP administration should be directed to the California Technical Assistance Center (CalTAC) by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
