**Subject:** REMINDER--2018-19 CAASPP The Results Are In--Now What? Workshop Webcast

*Measuring the Power of Learning.™*

Dear Educator:

Please join us for the CAASPP The Results Are In—Now What?: Analyzing Evidence to Inform Teaching and Learning workshop webcast on **Tuesday, June 4, 2019, from 9 a.m. to 3 p.m.** Registration is not required for the webcast.

**The workshop will focus on the following objectives:**

- How a data analysis protocol can support a root cause analysis and discussion about programs, policies, and practices that can inform actions to improve teaching and learning
- How to analyze and use the 2018–19 (and previous years') results to inform teaching and learning
- How to access and use supplementary resources and reference materials to inform the interpretation of student results
- How to display results to varied stakeholder audiences for a particular purpose

This workshop is best suited for local educational agency (LEA) CAASPP coordinators, curriculum instruction leaders, and professional development leaders. You are strongly encouraged to participate in the webcast with a team of educators from your LEA or site.

**Webcast Link:** Access the webcast from the [CAASPP Webcast](#) web page. We recommend that you access the webcast early to verify that you are able to see the video and hear the audio.

**Preparation:** To ensure that your participation is successful and that participants are able to participate fully, please ensure the following tasks are completed:

- Provide a setting that allows for everyone in attendance to view a screen and listen to audio; device speakers may be needed depending upon your audio setup.

- Access the webcast using an internet-connected device on the day and time of the workshop.
- Have the workshop materials readily available. Materials can be found on the [CAASPP Workshop Materials](#) web page.
- If you are viewing the webcast with a group, encourage discussion when prompted by the presenters.

**Collaboration Tools:** During the webcast, you will have an opportunity to post questions via Padlet. You can download the app ahead of time and create an account at [padlet.com](http://padlet.com). Creating an account is not required, but it ensures your name is associated with any questions you post.

**Requirements:** Participants should have access to an internet-connected device and their individual Online Reporting System (ORS) logon information to maximize the day’s learning opportunities. Please note that the ORS logon information is the same as the Test Operations Management System (TOMS) logon.

**Support:** Use the chat feature on the webcast page to send a message if you need technical support, and a staff person will respond to your inquiry.

**Following the Webcast:** Materials and an archive of the webcast will be available by selecting the “Webcast Archives” link on the [Training] tab on the [CAASPP Portal](#).
