Subject: CAASPP--All Practice and Training Tests Are Available to California Users on CAASPP.org

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

Practice and training tests are a valuable resource for local education agencies to help prepare students for testing. As a California user, your best place to access these resources is on the CAASPP [Online Practice and Training Tests Portal](#) Web page.

The practice and training tests can be accessed by either selecting the Practice and Training Tests button on the home page or selecting the Practice and Training Tests Portal option from the Resources drop-down menu.

Please make sure to share this reminder with your test administrators or any other staff who will be accessing the practice and training tests.

Questions about practice and training tests and all other topics regarding CAASPP should be directed to CalTAC by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
