Subject: CAASPP--CAA Logon Training Video and Item Routing Video Now Available

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

Two new training videos about administration of the California Alternate Assessments (CAAs) have been posted on the About CAA Web page at <http://www.caaspp.org/about/caa/> and in the "Training Videos" section of the Training Videos and Resources Web page at <http://www.caaspp.org/training/caaspp/>.

1. California Alternate Assessments (CAAs) Logon Processes
2. Item Routing for the California Alternate Assessments

The first video demonstrates the step-by-step procedures that test examiners must take to log students on to the CAA test delivery system and themselves on to the Test Administrator Interface. It has also been added to the CAA Test Examiner Tutorial module. The second video demonstrates the stage-adaptive aspect of the CAAs and how to follow along in the CAA *Directions for Administration* as item routing occurs.

Please share these links with the California Assessment of Student Performance and Progress (CAASPP) test site coordinators and test examiners in your local educational agency (LEA).

If you have any questions about the 2015–16 CAASPP administration of the CAAs, please contact the California Technical Assistance Center by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
