Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

Test results for the 2016–17 California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics are now available in the California Assessment of Student Performance and Progress (CAASPP) Online Reporting System (ORS).

Electronic results for your students who completed the CAAs for ELA and mathematics have been scored and can be accessed by accessing the [CAASPP Portal](#), selecting the *Test Administration* menu, and then selecting the *Online Report System* option. You will be prompted to log on to the ORS. You also may access the ORS in the Test Operations Management System by selecting the [**Online Reporting System**] button on the left navigation bar.

In the ORS, select the second radio button, “Scores for students who were mine when they tested during the selected administration,” to see results for your students. See the [Online Reporting System User Guide for CAASPP](#) for further instructions on using the ORS.

The printed Student Score Reports for the CAA will be provided in the additional Student Score Report shipment, which will be sent later this month.

If you have any questions about your CAASPP results in the ORS, please contact the California Technical Assistance Center by phone at 800-955-2954 or by e-mail at caltac@ets.org.

We thank you for your continued support of the CAASPP System.

Sincerely,

California Technical Assistance Center
