Subject: CAASPP--CAA for Science: How To Administer an Embedded Performance Task Video Now Available!

Measuring the Power of Learning.™

CDE and ETS present

Dear California Educator:

The California Alternate Assessment (CAA) for Science has a new resource! The **“CAA for Science: How To Administer an Embedded Performance Task” video has been posted on the [Training Videos](#) web page on the [CAASPP Portal](#).** This short video provides basic information about how to administer an embedded performance task for the CAA for Science. Topics include the preparation needed, an overview of a performance task, and security protocols.

Test examiners and test administrators should direct questions about the CAA for Science to the CAASPP test site coordinator. CAASPP test site coordinators should direct questions about the CAA for Science to the local educational agency (LEA) CAASPP coordinator. LEA CAASPP coordinators should direct questions about the 2019–20 CAASPP administration to the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
