Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator, Test Site Coordinator, or Test Examiner:

On behalf of the California Department of Education, Educational Testing Service (ETS) will present the *CAA for Science Webcast* on **Wednesday, December 12, 2018**, from **1 to 2 p.m.** ETS will present an overview of the 2018–19 field test administration of the CAA for Science. Included will be an introduction to the new *CAA for Science Administration Planning Guide*, updates on the structure of the online embedded performance tasks, a preview of our new orienting activities, information about the Student Response Check, and opportunities for individualizing the administration of the assessment.

The webcast will cover detailed information on the following:

- What is the purpose of the CAA for Science?
- Things to consider when scheduling the CAA for Science
- How to train test examiners to administer the CAA for Science

The live webcast can be viewed on the [CAASPP Webcast](#) web page and is open to local educational agency (LEA) CAASPP coordinators, test site coordinators, and test examiners. No preregistration or logon account is required. A PowerPoint and archive of the webcast will be available in the “Videos and Archived Webcasts” section on CAASPP.org, under the **[Training]** tab.

Questions about the 2018–19 CAASPP administration should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
