Subject: CAASPP: CAST Test Results Available in ORS

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

Student Score Reports (SSRs) for the 2018–19 California Science Test (CAST) are now available in the Online Reporting System (ORS). CAST and California Spanish Assessment (CSA) student score reports (SSRs) will be available in the Test Operations Management System (TOMS) and in parent portals starting December 30.

Electronic Student Results in the Online Reporting System

Electronic results for students who completed the CAST have been scored and are now available in the ORS.

- Access the [Online Reporting System](#) to view these results. Use a TOMS user account to log on to the ORS.
- Users can also access ORS in TOMS by selecting the **[Links]** button in the top navigation bar and then the [Online Reporting System (ORS)] link on the *Links* screen.
- Once the ORS has opened, select either the **[Retrieve Student Results]** button to download a file containing student results or the **[Score Reports]** button to view score reports.
- To view results for the students who tested in the local educational agency (LEA) in 2018–19, choose the **[Score Reports]** button in the ORS.
- On the next screen, the default selection, *Scores for my current students*, displays scores for students currently enrolled in the LEA. Select the second radio button, *Scores for students who were mine when they tested during the selected administration*, to see results for students from the 2018–19 administration.

Refer to the [Online Reporting System User Guide for CAASPP](#) for further instructions on using ORS.

Student Score Reports

Electronic SSRs will be available for students who have completed the CAST or CSA starting December 30. LEAs will be able to access the SSRs through the parent or student portal or in TOMS in batches.

If the LEA opted to purchase CAST or CSA paper SSRs from Educational Testing Service (ETS), these will be generated, printed, and shipped in early January 2020. Note that the shipment will include only paper SSRs for students assigned to take the CAST or CSA in 2018–19.

Refer to the CAASPP [Purchase Paper SSRs from ETS](#) web page for more information about paper SSRs.

Direct any questions about CAASPP results in the ORS to the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Thank you for your continued support of the CAASPP System.

Sincerely,

California Technical Assistance Center
