Subject: CAASPP--CSA and STS Web Pages on CAASPP.org

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

The link to the Primary Language Assessment web page on the *Test Administration* menu on the [CAASPP Portal](#) website will be replaced with a direct link to the [California Spanish Assessment \(CSA\)](#) web page. Materials for the CSA field test in fall 2018, and the CSA operational test in spring 2019, will be linked on this page.

There are no future administrations of the Standards-based Tests in Spanish (STS), so the web page on caaspp.org will be deleted the day after the close of the statewide CAASPP testing window, July 17, 2018. Materials currently on the STS web page will be archived on caaspp.org. Information regarding the STS contained in other CAASPP resources will remain.

The CSA field test window is September 17 through October 12, 2018. If you would like schools in your local educational agency (LEA) to participate in the CSA field test, please complete the [CSA Field Test Participation Survey](#). If you have questions about the CSA field test, please contact Marques Barron by phone at 916-403-2432 or by email at mbarron@ets.org.

For questions about general CAASPP administration, please contact the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
