Subject: California Educator Reporting System (CERS) Key Resources

Measuring the Power of Learning.™

Dear LEA CAASPP or ELPAC Coordinator:

The California Educator Reporting System (CERS) will soon be the “one-stop shop” for LEA staff to access individual and aggregate student results from all California summative assessments along with the interim assessment results it already contains. The following resources are available to promote and learn about using the system:

- [CERS User Guide](#)
- [CERS promotional flyer](#)
- [CERS Sandbox training tool](#)
- [CERS Sandbox promotional flyer](#)

While CERS is a secure website for LEA staff access only, the above resources are all publicly available. Please note that the CERS Sandbox URL has changed. If you created a shortcut to the Sandbox URL, please update it with the one above. Be sure to share this information with site administrators, test examiners, test administrators, and other users to introduce them to the updated reporting system. To access the reporting system, select the new CERS button on the [CAASPP.org](#) and [ELPAC.org](#) websites.

Questions about CERS, as well as the 2019–20 CAASPP and ELPAC administrations, should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
Phone: 800-955-2954
Fax: 800-541-8455
