Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

Classroom Activity assignments for the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments have been posted to the CAASPP Web site at <http://www.caaspp.org/>. Follow these instructions to access your local educational agency's (LEA's) assignments:

1. Visit the CAASPP California Smarter Balanced Classroom Activity Assignments Web page at <http://www.caaspp.org/administration/instructions/assignments/>.
2. Select your county.
3. Select your LEA to download the PDF that lists the Classroom Activities for your LEA's schools.

Once you have identified Classroom Activities for schools, visit <http://www.caaspp.org/ta-resources/activities.html> to download the Classroom Activities PDFs. Activities will be the same for all students within a grade at each school. Feel free to share this information with the CAASPP test site coordinators and test administrators in your LEA.

Questions about the 2015–16 CAASPP administration should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,
