Subject: CAASPP: DFAs for CSA and CAST and Smarter Balanced Summative Assessments Updated

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

The *Directions for Administration (DFA)* for the California Science Test and Smarter Balanced Summative Assessments for English language arts/literacy and mathematics, as well as the *DFA* for the California Spanish Assessment, have been updated to incorporate minor changes made to the test delivery system logon procedures.

The revised [*Directions for Administration of the Smarter Balanced Online Summative Assessments and California Science Test*](#) and [*Directions for Administration of the California Spanish Assessment*](#) directly reflect the current test delivery system logon procedures. Changes include the updated “Say” scripts for

- sound and video checks and for students using the text-to-speech resource;
- how to view test settings; and
- the location of the **[Begin Test Now]** button on the bottom of the *Instructions and Help* screen.

Although the changes are minor, we recommend providing the revised *DFA* to test administrators.

Questions regarding the 2018–19 CAASPP administration should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
