Listening. Learning. Leading.®

Dear LEA CAASPP Coordinator:

Educational Testing Service will conduct two sets of in-person training workshops October 19–October 29, 2015: Digital Library and Interim Assessment Clinics for local educational agency (LEA) California Assessment of Student Performance and Progress (CAASPP) coordinators and Interim Assessment Hand Scoring Workshops for teachers. Each set of workshops will be presented at eight locations throughout California. See below for further detail, including links to registration forms.

Digital Library and Interim Assessment Clinics: These half-day morning sessions will provide information and guidance on both the Digital Library and Interim Assessments. The clinics will address topics such as using formative assessment practices to support teaching and learning in the classroom, promoting use of the Digital Library in LEAs, and considerations in administering interim assessments and interpreting results. Attendees with access to the Digital Library are encouraged to bring a computer, although it is not required.

Target audience: LEA CAASPP coordinators

Training time: 8 a.m. – noon

Registration for the Digital Library and Interim Assessment Clinics is now available at <http://www.caaspp.org/dl-and-ia-clinics.html>.

Interim Assessment Hand Scoring Workshops: These half-day afternoon sessions, primarily intended for teachers, will focus on processes and materials for hand scoring student constructed responses from the Smarter Balanced Interim Assessments. The workshops are divided into English language arts/literacy and mathematics sessions; attendees must choose which content area they wish to attend.

Target audience: Teachers (Other educators will be placed on a wait list and notified if space is available.)
