**Subject:** California Assessments--Focus Group Interest Form

*Measuring the Power of Learning.™*

Dear Educator,

Educational Testing Service (ETS), under direction from the California Department of Education (CDE), will hold **virtual** focus groups to collect feedback on the California Assessment of Student Performance and Progress (CAASPP) and the English Language Proficiency Assessments for California (ELPAC) assessments administered across California this spring. ETS will pay for a substitute teacher if one is needed. All test administrators and test examiners will be given \$50 for their participation.

These focus groups will be held virtually in May 2019. Depending on your role in administering the assessments, these focus groups will discuss your experience administering various tests that are part of CAASPP and the Initial and Summative ELPAC. Each focus group will concentrate on issues related to preparing and training, challenges encountered, and lessons learned from the 2018–19 administration. The information gathered will inform and contribute to the planning for the 2019–20 administration year.

Please complete this online interest form by **Tuesday, April 30, 2019**, to be considered for focus group participation.

[Complete the Interest Form Now!](#)

Sincerely,

California Technical Assistance Center
