Subject: CAASPP--Important Dates

Listening. Learning. Leading.®

Dear LEA CAASPP Coordinator:

The following list provides important dates to remember as we transition to reporting the 2015 results and prepare for the 2016 administration cycle for the California Assessment of Student Performance and Progress (CAASPP):

- **Late July 2015**—Shipping of Student Score Reports to local educational agencies (LEAs).
- **July 31, 2015**—Testing is finished for the 2014–15 CAASPP administration.
- **August 1–9, 2015**—The test delivery system—Test Administrator Interface, Interim and Summative Assessments, the Interim Assessment Hand Scoring System (IAHSS)—is not available.
- **August 1–6, 2015**—The Online Reporting System (ORS) is available in view-only mode, which means that new scores will not be visible until August 10. New users created during this period will not have access to ORS.
- **August 7–9, 2015**—The ORS is not available. Please note that these dates are slightly different from what was communicated previously in the e-mail announcement sent on July 6 regarding system downtime.
- **August 10, 2015**—Interim Assessments are open for 2015–16 administration; student responses for the 2014–15 administration will have been removed from the IAHSS.
- **Mid-August 2015**—LEA student data files are available for download from the Test Operations Management System (TOMS).
- **Late August 2015**—State release of 2015 test results; more information will follow after the exact date has been determined.
- **September 15, 2015**—This is the last day to enter Student Condition Codes for the 2014–15 administration.
- **Mid-September 2015**—LEA Superintendents receive notification that the 2015–16 Superintendent Designation of LEA CAASPP Coordinator Forms are available.
 - o The superintendents of LEAs that have experienced changes in staff should resubmit the 2014–15 designation form available on the CAASPP Forms Web page at <http://www.caaspp.org/administration/forms/>.

For questions about reporting and all other topics regarding the 2014–15 CAASPP administration, contact CalTAC by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
