TYPES OF PAPER STUDENT SCORE REPORTS

There are five kinds of California Assessment of Student Performance and Progress (CAASPP) Student Score Reports that are printed based on the test(s) taken:

- Student Score Reports for Smarter Balanced Summative Assessments for English Language Arts/Literacy (ELA) and Mathematics—grades three, four, six, seven, and eleven
- Student Score Reports for Smarter Balanced for ELA and Mathematics and California Standards Tests (CSTs)/California Modified Assessment (CMA) for Science—grades five and eight
- Student Score Reports for CST/CMA for Science—grade ten
- Student Score Reports for California Alternate Performance Assessment for Science—grades five, eight, and ten
- Student Score Reports for Standards-based Tests in Spanish (STS) for Reading/Language Arts—grades two through eleven

Also note that scores for students who took the Smarter Balanced paper-pencil tests instead of the online assessments are available on the printed Student Score Reports (contrary to what is printed on the cover sheet for each box).

SHIPPING NOTES

Schedule

- CAASPP Paper Student Score Reports have started shipping with UPS.
- The schedule of printing is based on when your local educational agency's (LEA's) testing window(s) closed, when paper-pencil tests (if any) were received at the processing center, and when handscoring for your LEA's students in that testing window was completed.
- Reports for students whose results are delayed because of an exception in their student record (for example, there are multiple tests received for the same student) will be shipped separately.
- Student Score Reports will ship through September.

Shipments

- All Student Score Reports will ship via UPS; there are no palletized or freight deliveries scheduled.
- Boxes will be marked "*n* of *n*" (for example, "2 of 10") for each LEA.

- Colored dots on boxes in a shipment indicate common administration groupings when an LEA has multiple test administrations.
- Packing slip files are available for download in the Reports section, ISR Packing Lists subsection, of the 2014–15 version of the Test Operations Management System (TOMS) at <https://caaspp.caltesting.org>.
 - o Download the .zip file and open it by double-clicking the file and letting your operating system decide which program to use to open it. Packing slip files are in .txt format.
 - o The packing slip .zip file will be updated with subsequent packing slip text files as additional shipments are made.

ELECTRONIC FILES

- Student Score Report PDFs will be available for download in the Reports section of the 2014–15 version of TOMS at the end of August 2015.
- You will be notified via e-mail when Student Score Report PDFs are accessible on TOMS.

INFORMATION AVAILABLE ON THE INTERNET
