Subject: CAASPP-- Interim Assessment Video Series Now Available

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

The California Department of Education has just released the [Smarter Balanced Interim Assessment Video Series](#) to help educators effectively use the interim assessments. This video series consists of five narrated presentation modules with embedded system demonstrations. The modules in the series are as follows:

- Module 1: Introducing the Smarter Balanced Interim Assessments
- Module 2: Interim Assessment Viewing System
- Module 3: Interim Assessment Administration
- Module 4: Interim Assessment Hand Scoring
- Module 5: Accessing, Interpreting, and Reporting Interim Assessment Results

Each module is 10 to 25 minutes in length. The Interim Assessment Video Series supplements the [Interim Assessment User Guide](#), which contains detailed information for educators about using the interim assessments. No logon is required to access these resources.

We encourage you to watch all five video modules in the series and share this resource with all interim assessment administrators in your local educational agency (LEA).

Questions about the Smarter Balanced Interim Assessment Video Series should be directed to the California Technical Assistance Center Digital Library and Interim Assessment Help Desk by phone at 855-631-1510 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
