Subject: CAASPP--New! Digital Library Self-Registration Interface

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

We are happy to announce that Smarter Balanced has released a self-registration interface for local educational agency (LEA) staff to establish a Digital Library account without the assistance of the LEA California Assessment of Student Performance and Progress (CAASPP) coordinator!

This new interface is available through the existing Digital Library login Web page at <https://www.smarterbalancedlibrary.org/>. To establish an account, select the **[Register for the Digital Library]** button on this Web page. To reset a password for an existing account, select the **[Forgot Your Password?]** link.

Important notes: When an LEA staff member requests a new Digital Library account, his or her e-mail domain name is used to verify the staff member's association with an LEA. Staff members with a non-LEA-specific e-mail domain name (e.g., @gmail.com, @yahoo.com) will need to work with their LEA CAASPP coordinator to establish a Digital Library account. Password resets can be completed by any existing Digital Library user, regardless of e-mail domain name.

We encourage you to share this e-mail with staff in your LEA who may be interested in establishing a Digital Library account. The Digital Library is available to all California LEA staff. Questions about the self-registration interface should be directed to the California Technical Assistance Center (CalTAC) Digital Library and Interim Assessment Help Desk by phone at 855-631-1510 or by e-mail at caltac@ets.org.

Sincerely,
CalTAC Digital Library and Interim Assessment Help Desk
