Subject: CAASPP Post-Test Workshop Registration Is Now Available

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

In preparation for the conclusion of your local educational agency's (LEA's) 2016–17 California Assessment of Student Performance and Progress (CAASPP) test administration, Educational Testing Service (ETS), in partnership with the California Department of Education, is pleased to announce that registration is now available for the **2016–17 CAASPP Post-Test Workshops: Using Assessment Results to Inform Teaching and Learning**. LEA CAASPP coordinators are encouraged to bring one or two additional staff members to the workshop. We recommend that participants include curriculum instruction leaders, professional development leaders, and/or LEA representatives who would disseminate the information to other teachers within your LEA.

The purpose of these in-person workshops is to inform LEAs of the various components of the 2016–17 CAASPP assessment student results and reports and how this information might be used to inform instruction.

Topics that will be covered in the workshops include:

- Principles of scoring (including high-level information on the scoring of the Smarter Balanced Online Summative Assessments);
- Using the Online Reporting System;
- Understanding how to access, use, and interpret the 2016–17 Student Score Reports and results to improve classroom instruction; and
- Providing supplementary resources and reference materials to assist LEA CAASPP coordinators with their local training efforts to improve teaching and learning.

Check-in for these workshops will begin at 8 a.m., and the workshop presentation will take place from 8:30 a.m. to 4:30 p.m. Participants will be released for lunch at noon and the presentation will continue at 1 p.m. Lunch will not be provided to participants.

[Online registration](#) is now available for the Post-Test Workshops. Please note that seating at the workshops is limited.
