Subject: REMINDER: CAASPP--Registration Available for 2015-16 CAASPP Weekend Operational Scoring Workshops

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

Please join us for a California Assessment of Student Performance and Progress (CAASPP) 2015–16 Weekend Operational Scoring Workshop to receive hands-on training for scoring the Smarter Balanced Summative Assessments and have the opportunity to become a paid rater. Educational Testing Service (ETS) and partner, Measurement Incorporated (MI), on behalf of the California Department of Education (CDE), present this series of workshops.

The Weekend Operational Scoring Workshop is a one-day, in-person training offered at eight locations throughout California. Each workshop location will consist of six different content area/grade band sessions. Three content area/grade band sessions will be offered on Saturday, and the remaining content area/grade band sessions will occur on Sunday. You will need to register to attend the workshop for the content area/grade band you wish to score and may **only** register for **one** content area/grade band training session. Those local education agency (LEA) CAASPP coordinators interested in training for an additional content area/grade band should contact the California Technical Assistance Center (CalTAC) for availability (others should contact their LEA CAASPP coordinators for assistance).

Online registration is now available to California Educators. If you would like to **attend** the Weekend Operational Scoring Workshop, please go to the [registration Web site and register](#) using the following link:

https://etsforms.formstack.com/forms/caaspp_weekend_operational_scoring_workshop_registration

Important Notes: You **must** bring a Windows or Mac OS laptop that is Wi-Fi compatible to participate in the workshop. There will be a limited number of laptops available during the workshop on a first-come, first-served basis. Chromebooks, iPads, and all other tablets **cannot** be used.

Workshops are offered on the following dates and locations:

Note: For every location, Saturday will cover English language arts/literacy (ELA) grades three through five, ELA grades six through eight, and mathematics grades six through eight; Sunday will cover ELA grade eleven, mathematics grades three through five, and Math grade eleven.

Northern California

April 2–3, 2016 California State University, East Bay (Hayward)

Reimbursement for travel and a \$75 stipend is available for attendees. Reimbursement forms will be provided at the training.

Questions about registering for a 2015–16 CAASPP Weekend Operational Scoring Workshop and all other topics regarding CAASPP administration should be directed to CalTAC by phone at 800-955-2954 or by e-mail at caltac@ets.org.

(**Note:** This e-mail is intended for LEA CAASPP coordinators. Other LEA personnel to whom it is forwarded, such as CAASPP test site coordinators or educators, are requested to contact their LEA CAASPP coordinator for further information and **not** CalTAC.)

Sincerely,

California Technical Assistance Center
