Subject: CAASPP--REMINDER: Register for the CAASPP Post-Test Workshop

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

To support your Local Educational Agency's (LEA) successful administration and use of the 2016–17 California Assessment of Student Performance and Progress (CAASPP) summative assessments, Educational Testing Service (ETS), in partnership with the California Department of Education and WestEd, is offering the **2016–17 CAASPP Post-Test Workshop: Using Assessment Results to Inform Teaching and Learning**.

This is a reminder that online registration is open. LEA CAASPP coordinators are encouraged to bring up to two additional staff members to the workshop. We recommend that curriculum, instruction and professional development leaders, and/or LEA representatives be included in your team. Please register yourself and your team [here](#) at your earliest convenience as seating is limited.

Questions to be answered in the workshop will include:

- What do you need to know about these assessments?
- What resources are available to you and your team?
- Where and how can you access these resources?
- How can you use the results and resources to inform teaching and learning?
- How can you and your team optimize the results and the resources?

Check-in for these workshops will begin at 8 a.m. The workshop presentation will take place from 8:30 a.m. to 4:30 p.m. Participants will be released for lunch (on your own) at noon and the presentation will continue at 1 p.m.

The morning session will focus on key information regarding reports and accessing those reports. The discussions regarding understanding optimizing use of results for different audiences will begin in the morning and continue through the afternoon session.

Team members who did not attend last year's Post-Test Workshop may want to visit the [Training](#) page on the CAASPP Portal and review the Connecting Summative Assessments to Improving Teaching and Learning presentation, Facilitator's Guide, and other resources.
