*Measuring the Power of Learning.™*

Dear LEA CAASPP Coordinator:

Various California Assessment of Student Performance and Progress (CAASPP) systems will be unavailable **Thursday, March 16, 2017, through Sunday, March 19, 2017, for scheduled system downtime**. Note that systems may go offline the day prior to a scheduled downtime day (no earlier than 5 p.m. Pacific Time [PT]) and will resume by 8 a.m. PT the day following a scheduled downtime day. During the downtime, the following CAASPP systems will not be available:

- Test Operations Management System (TOMS)
- Online Reporting System (ORS)
- Test Administrator Interface
- Appeals/Completion Status/Roster Management System
- Interim Assessment Viewing System
- Interim Assessment Hand Scoring System (IAHSS)

Details about which systems will be impacted are available on the CAASPP Planned System Downtime Web page at <http://www.caaspp.org/system-status/>. Hover over each downtime day to see which systems will be unavailable. Select the Add to Calendar button on the [March Calendar](#) to add this downtime to your calendar.

It is strongly recommended that you notify all CAASPP test site coordinators within your local educational agency (LEA) of the upcoming downtime.

Questions about scheduled downtimes and the 2016–17 CAASPP administration should be directed to the California Technical Assistance Center (CalTAC) by phone at 800-955-2954 or by e-mail at [caltac@ets.org](mailto:caltac@ets.org).

Sincerely,
