*Measuring the Power of Learning.™*

Dear LEA CAASPP Coordinator:

Various CAASPP systems will be unavailable from **Thursday, March 29, 2018, through Sunday, April 1, 2018, for scheduled system downtime.** Note that systems may go offline the day prior to a scheduled downtime day—no earlier than 5 p.m. Pacific time (PT)—and will resume by 8 a.m. PT the day following a scheduled downtime.

During the downtime, the following CAASPP systems will **not** be available:

- Test Operations Management System
- Online Reporting System
- Test Administrator Interface
- Test Delivery System
- Appeals/Completion Status/Roster Management System
- Interim Assessment Viewing System
- Interim Assessment Hand Scoring System

Additional details about which systems will be impacted are available on the CAASPP [Planned System Downtime](#) Web page. Select the link on each downtime day to see which systems will be unavailable.

It is strongly recommended that you notify all CAASPP test site coordinators within your local educational agency (LEA) of the upcoming downtime.

Questions about scheduled downtimes and the 2017–18 CAASPP administration should be directed to the California Technical Assistance Center (CalTAC) by phone at 800-955-2954 or by e-mail at [caltac@ets.org](mailto:caltac@ets.org).

Sincerely,
