Listening. Learning. Leading.®

Dear LEA CAASPP Coordinator:

On **Thursday, October 1, 2015**, **all** users in the Interim Assessment Reporting System (IA Reporting System) will be removed. Please make sure you inform all related personnel at your local educational agency (LEA) of the pending user removal.

Please also note that from Thursday, October 1 through Wednesday October 14, 2015, all California Assessment of Student Performance and Progress (CAASPP) systems, including the Test Operations Management System (TOMS), Test Administrator Interface, Completion Status Reports, and the Interim Assessment Viewing System will be experiencing downtime. This means that you will not be able to administer interim assessments to students or view completion statuses.

2015–16 LEA CAASPP coordinators will receive access to the IA Reporting System after the California Technical Assistance Center (CalTAC) receives a [Superintendent Designation form](#) from your LEA's superintendent and a [Test Security Agreement](#). The letter to the superintendents regarding the 2015–16 forms was sent on Thursday, September 10, 2015. Please note that the 2015–16 LEA CAASPP coordinators will be responsible for providing LEA personnel with access to the IA Reporting System.
