Listening. Learning. Leading.®

Dear LEA CAASPP Coordinator:

We are pleased to inform you that the results for your students who took the Smarter Balanced paper-pencil assessments in English language arts/literacy and mathematics are now included as part of the existing Smarter Summative results available in the California Assessment of Student Performance and Progress (CAASPP) Online Reporting System (ORS). You can access the ORS by going to <http://www.caaspp.org> and selecting the **[Online Reporting System (including Completion Status)]** button. You will be receiving paper Student Score Reports for students who took these paper-pencil assessments within the next few weeks.

In October, the statewide results and your local educational agency (LEA) and school summary results will be updated on the CAASPP 2015 Results Web site at <http://caaspp.cde.ca.gov>. Also in October, your updated student data file also will be available for download; it will be linked on the 2014–15 version of the Test Operations Management System at <https://caaspp.caltesting.org/>.

Questions about reporting and all other topics regarding the 2014–15 CAASPP administration should be directed to CalTAC by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
