*Measuring the Power of Learning.™*

Dear LEA CAASPP Coordinator:

The Interim Assessment Viewing System and the Smarter Balanced practice and training tests will be unavailable during the scheduled downtime that starts on **Wednesday, February 24, 2016, at 9 p.m. Pacific Standard Time (PST) through Sunday, February 28, at 9 p.m. PST.** All other California Assessment of Student Performance and Progress (CAASPP) online systems will be available. There will not be an interruption of service to the interim or summative assessment test delivery system.

During this downtime, the California Alternate Assessments (CAA) training tests will be loaded into the test delivery system. Once the practice system is brought back online, the CAA training tests will be available for use by CAA test examiners.

It is strongly recommended that you notify all CAASPP test site coordinators within your local educational agency of the upcoming downtime for these systems.

Questions about this scheduled downtime and the 2015–16 CAASPP administration should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by e-mail at [caltac@ets.org](mailto:caltac@ets.org).

Sincerely,

California Technical Assistance Center
