Subject: CAASPP--Scheduled System Downtime for March 2016

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

The Test Operations Management System (TOMS) will be unavailable during the scheduled downtime that starts on **Friday, March 18, 2016, at 5 p.m. Pacific Daylight Saving Time (PDST) through Sunday, March 20, at 7 p.m. PDST**. All other systems will remain online.

Important: Depending on the size of changed records received by the California Longitudinal Achievement Data System (CALPADS) during this scheduled downtime, the update of these records may take extra time to process through all California Assessment of Student Performance and Progress (CAASPP) systems. Please make sure your CALPADS records are up to date prior to this downtime in order to avoid any processing delays.

It is strongly recommended that you notify all CAASPP test site coordinators within your local educational agency of the upcoming downtime for this system.

Questions about this scheduled downtime and the 2015–16 CAASPP administration should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
Phone: 800-955-2954
Fax: 800-541-8455
E-mail: caltac@ets.org
