Subject: CAASPP--Scheduled System Downtimes for the 2017-18 Test Administration

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

Various California Assessment of Student Performance and Progress (CAASPP) systems will experience the following scheduled downtimes as part of the plan to transition to the 2017–18 school year and enhance CAASPP systems for the 2017–18 administration of the CAASPP assessments:

- **Wednesday, August 30, 2017, through Monday, September 4, 2017**
- **Friday, January 5, 2018, through Monday, January 8, 2018**
- **Thursday, March 29, 2018, through Sunday, April 1, 2018**

Note that systems may go offline the day prior to a scheduled downtime day (no earlier than 5 p.m.) and will resume by 8 a.m. the day following a scheduled downtime day. Additional details about which systems will be impacted are available on the [CAASPP System Planned Downtime](#) Web page. Hover over the downtime dates to determine which systems will be down on those days.

Systems impacted include:

- Test Operations Management System (TOMS)
- Test Delivery System
- Test Administrator Interface
- Online Reporting System (ORS)
- Appeals/Completion Status/Roster Management System
- Interim Assessment Viewing System
- Interim Assessment Hand Scoring System

This Web page also includes any weekend maintenance downtimes that are scheduled. Maintenance days are placeholders for regular weekend maintenance that will be used only if needed.

Please notify all CAASPP test site coordinators within your local educational agency (LEA) of the upcoming downtimes.

Questions about scheduled downtimes and the 2017–18 CAASPP administration should be directed to the California Technical Assistance Center (CalTAC) by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
