Subject: CAASPP--Scheduled System Downtimes in February, March, and April 2016

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

In order to incorporate the new California Alternate Assessments (CAAs) operational summative assessments and CAAs training tests into the test delivery system, the following systems will experience scheduled downtime:

- **Wednesday, February 24, 2016, 9 p.m. Pacific Standard Time (PST)—Sunday, February 28, 9 p.m. PST**
 - o Practice and training tests
 - o Interim Viewing System

- **Friday, March 18, 2016, 5 p.m. Pacific Daylight Saving Time (PDST)—Sunday, March 20, 7 p.m. PDST**
 - o Test Operations Management System

- **Thursday, April 7, 2016, 4 p.m. PDST—Sunday, April 10, 9 p.m. PDST**
 - o Test Administrator Interface
 - o Student Testing Site
 - o Online Reporting System

As these downtimes approach, you will receive a detailed e-mail communication about what systems will be impacted and what local educational agencies (LEAs) can expect when the systems resume.

It is strongly recommended that you notify all California Assessment of Student Performance and Progress (CAASPP) test site coordinators within your LEA of the upcoming downtimes.

If downtime impacts your LEA's selected testing window, please contact the California Technical Assistance Center (CalTAC) by phone or e-mail to extend the testing window.

Questions about scheduled downtimes and the 2015–16 CAASPP administration should be directed to CalTAC by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
