Subject: CAASPP--Systems Restored

Dear LEA CAASPP Coordinator:

Enhancements to the Test Operations Management System (TOMS) and other systems related to the administration of the California Assessment of Student Performance and Progress (CAASPP) are complete. The following systems are once again operational:

- Student testing applications that use a secure browser (such as the interim assessments and the practice tests)
- Test Administrator (TA) Interface
- Interim Assessment Hand Scoring System
- Interim Assessment Viewing System
- Online Reporting System (ORS) for viewing completion status data for 2015–16, score reports for 2014–15, and status reports
- TOMS (both the 2014–15 and 2015–16 versions)

Although all of these systems are online, only local educational agency (LEA) CAASPP coordinators whose superintendents have completed and returned the [CAASPP Superintendent Designation Form for the 2015–16 School Year](#) and who have completed and returned the [CAASPP Test Security Agreement](#) will have access to the 2015–16 version of TOMS.

Important reminders about the 2015–16 version of TOMS are as follows:

- **Only** newly designated local educational agency (LEA) CAASPP coordinators have access to the 2015–16 version of TOMS.
- **Only** newly designated LEA CAASPP coordinators may add CAASPP test site coordinators and other users. These users will have access after they have been added.
- Newly designated LEA CAASPP coordinators and their assigned CAASPP test site coordinators are permitted to assign appropriate access for other users in TOMS 2015–16, including access for interim assessment test administrators.
- A list of user roles can be found on the User Roles in TOMS Web page at <http://www.caaspp.org/administration/toms/toms-users.html>.

LEA CAASPP coordinators will continue to have access to student data and reports in the 2014–15 version of TOMS.

Questions regarding this and all other topics regarding the 2015–16 CAASPP administration should be directed to CalTAC by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
