Subject: TOMS Is Now Available

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator or LEA ELPAC Coordinator:

I am pleased to inform you that Educational Testing Service (ETS) has successfully completed reprocessing the California Longitudinal Pupil Achievement Data System (CALPADS) data. Both the CAASPP Test Operations Management System (TOMS) and ELPAC TOMS are back online today. ETS is working with the California Department of Education to prevent this issue from happening in the future.

Questions regarding this issue should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Thank you for your patience as we resolved this issue.

Sincerely,

Mary Anne J. Arcilla
Interim Executive Director
CAASPP and ELPAC Programs
