Educational Testing Service (ETS) and the California Department of Education (CDE) have produced new videos for California testing called “**Test Security Guidelines.**” The videos provide detailed information about the test security required for the California Assessment of Student Performance and Progress (CAASPP) and the English Language Proficiency Assessments for California (ELPAC).

The videos provide information on the following topics:

- Common testing scenarios
- Auditor activities
- Help desk support

Access the CAASPP Test Security Guidelines video on the [Summative Assessment Videos and Archived Webcasts](#) web page. Access the ELPAC Test Security Guidelines video on the [ELPAC Videos](#) web page. View the videos to learn about the test security procedures required for the CAASPP and ELPAC.
