Dear LEA CAASPP Coordinator:

The [student data file layout](#) has been updated and reposted to the California Assessment of Student Performance and Progress (CAASPP) Reports and Reporting Web page at <http://www.caaspp.org/administration/reporting/>. The student data file layout is a formatted PDF that includes field descriptions, acceptable values for fields, data sources, and additional explanations about student demographics and some of the data fields in the CAASPP student data file.

Note that changes were made to explanations and descriptions of data fields **only**. **Data positions within the file layout—and thus, within the student data file you download—have not changed.** Updates are highlighted in this document.

Please direct questions about reporting and all other topics regarding the 2014–15 CAASPP administration to CalTAC: by phone at 800-955-2954 or by e-mail at [caltac@ets.org](mailto:caltac@ets.org).

Sincerely,
