Subject: CAASPP--Updated Student Score Reports for Some Students

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

On September 11, 2018, you received a letter from the California Department of Education (CDE) regarding the grade eight 2017–18 CAASPP Smarter Balanced for mathematics assessment. As a result of the request from the CDE to rescore some students' tests, students whose achievement levels in mathematics changed as a result of the rescoring are receiving updated Student Score Reports (SSRs).

For your convenience, a [Parent Letter for LEA Use](#) has been made available on the [Score Reporting](#) web page. This letter can be included when you send the updated SSRs to parents or guardians. Adapt the contents of the letter by adding school letterhead and inserting needed information where indicated.

If you have any questions regarding this rescore, please contact the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
