Subject: CAASPP--Final Student Data Files Now Available for Download

Listening. Learning. Leading.®

Dear LEA CAASPP Coordinator:

The final student data file for your local educational agency's (LEA's) administration of the California Assessment of Student Performance and Progress (CAASPP) is now available for download in the Reports section, Student Reports subsection, of the 2014–15 version of the Test Operations Management System (TOMS).

Please note the following about your CAASPP final student data file:

- The file includes results for all administrations of the following operational tests for students in your LEA:
 - o Smarter Balanced Online Summative Assessments for English Language Arts/Literacy and Mathematics
 - o California Standards Tests for Science
 - o California Modified Assessment for Science
 - o California Alternate Performance Assessment for Science
 - o Standards-based Tests in Spanish for Reading/Language Arts
- Scores and data included in the file are considered final. No additional updates will be made.

The description of the layout of the student data file is available for download from the CAASPP Reports and Reporting Web page at <http://www.caaspp.org/administration/reporting/>. The student data file layout includes field descriptions, acceptable values for fields, data sources, and additional explanations about student demographics and some of the data fields.

Questions about reporting and all other topics regarding the 2014–15 CAASPP administration should be directed to CalTAC: by phone at 800-955-2954 or by e-mail at caltac@ets.org.

Sincerely,

California Technical Assistance Center
