**Subject:** CAASPP Reporting Update--CAA Test Results Available in the ORS and Additional Student Score Reports Shipping

*Measuring the Power of Learning.™*

Dear LEA CAASPP Coordinator:

Test results for the 2017–18 California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics are now available in the CAASPP Online Reporting System (ORS).

In addition, CAASPP testing is complete and the final test results have been processed. All remaining Student Score Reports (SSRs) are being generated. If your local educational agency (LEA) had multiple test administrations, all remaining SSRs will be combined and included in this one additional shipment that will be shipped by mid-September.

### **2017–18 CAA Results Available**

Electronic results for your students who completed the CAAs for ELA and mathematics have been scored and can be accessed by visiting the [CAASPP Portal](#), selecting the *Test Administration* menu, and then selecting the *Online Report System* option. You will be prompted to log on to the ORS. You also may access the ORS in the Test Operations Management System (TOMS) by selecting the **[Online Reporting System]** button on the left navigation bar.

In the ORS, select the second radio button, *Scores for students who were mine when they tested during the selected administration*, to see results for your students. The [Online Reporting System User Guide for CAASPP](#) has further instructions on using the ORS.

### **Additional Student Score Reports**

The additional SSRs include results for students who took the CAAs for English language arts/literacy and mathematics. The additional shipment also includes Smarter Balanced SSRs for students who were not included in the LEA's original shipment, those who had a pending appeal, and/or those who did not complete all tests or content areas. It may also include any updated SSRs for students who received an updated score or condition code.

Your LEA will receive an automated email from TOMS with the secure link to the packing list for the shipment as well as information about when electronic versions of your additional SSRs are available in TOMS.

If you have any questions about accessing CAASPP results in the ORS, CAASPP reporting, or tracking your shipment, please contact the California Technical Assistance Center by phone at 800-955-2954 or by email at [caltac@ets.org](mailto:caltac@ets.org).

We thank you for your continued support of the CAASPP System.

Sincerely,

California Technical Assistance Center
