Subject: CAASPP and ELPAC: Scheduled Systems Downtime

Dear LEA CAASPP Coordinator or LEA ELPAC Coordinator:

Various CAASPP and ELPAC systems will be unavailable from **Friday, August 14, at 5 p.m. through Thursday, August 20, 2020, at 8 a.m.**, for a scheduled downtime. During the downtime, the following CAASPP and ELPAC systems will not be available:

- Test Operations Management System
- Test Administrator Interface
- Completion Status and Roster Management
- Interim Assessment Viewing System
- Interim Assessment Hand Scoring System
- Data Entry Interface

This downtime will be used to prepare for the transition to the 2020–2021 school year for CAASPP. For a complete list of actions to take before this transition, see the [Preparing to Transition to the 2020-2021 Administration email](#) sent on July 15, 2020.

Additionally, once the downtime begins, all student responses and associated hand scoring materials will be cleared from the Interim Assessment Hand Scoring System and will no longer be available for hand scoring.

Additional information about impacted systems and other scheduled downtimes is available on the [2020–2021 CAASPP Planned System Downtime](#) and [2020–2021 ELPAC Planned System Downtime](#) web pages. Please notify all CAASPP and ELPAC test site coordinators within the LEA of the upcoming downtime.

Questions about this downtime should be directed to CalTAC, by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
