Subject: CAASPP and ELPAC Site Audit Visits Questionnaire

Measuring the Power of Learning.™

Dear LEA CAASPP or LEA ELPAC Coordinator:

Educational Testing Service will be conducting 200 test security audits of randomly selected testing sites before, during, or after administration of the 2019–2020 California Assessment of Student Performance and Progress (CAASPP) or the English Language Proficiency Assessments for California (ELPAC).

The Test Security Auditor Questionnaire can be found on both the [CAASPP website](#) and [ELPAC website](#). The questionnaire can be used by all local educational agencies (LEAs) to ensure that proper test security guidelines are followed.

Please note that this email is **not** an audit notification. ETS' Office of Testing Integrity sends an email to the LEA coordinator if one of the sites within the LEA is selected, to schedule the date and time for this visit.

Questions regarding the upcoming site visit audits for the 2019–2020 CAASPP or ELPAC administration should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
