Subject: Registration now open for Digital Library and Interim Assessment Training Opportunities

Measuring the Power of Learning.™

Dear LEA CAASPP Coordinator:

Registration is now open for Educational Testing Service's series of in-person Digital Library and Interim Assessment Clinics and Interim Assessment Hand Scoring Workshops for English language arts/literacy (ELA) and mathematics.

Digital Library and Interim Assessment Clinic: This clinic (morning session), intended for local educational agency (LEA) California Assessment of Student Performance and Progress (CAASPP) coordinators, will provide information about the Smarter Balanced Digital Library, formative assessment process, and Smarter Balanced Interim Assessments including but not limited to:

- resources available in the Digital Library that help support the formative assessment process, professional learning, and instruction;
- strategies for promoting the use of the Digital Library and Smarter Balanced Interim Assessments within your LEA; and
- information about the Smarter Balanced Interim Comprehensive Assessments (ICAs) and the new and revised Interim Assessment Blocks (IABs) available this school year.

Attendees are encouraged to bring a computer to access the Digital Library.

Target Audience: LEA CAASPP coordinators. Other LEA staff will be placed on a waiting list and admitted if space permits.

Training time: 8:30–11:30 a.m. (Check-in will begin at 8 a.m.)

Registration for the Digital Library and Interim Assessment Clinic is now available at <http://www.caaspp.org/dl-and-ia-clinics.html>.

Interim Assessment Hand Scoring Workshop: This workshop (afternoon session), intended for LEA teams of educator coaches or trainers, will cover processes and materials for hand scoring student constructed responses from the Smarter Balanced Interim Assessments. LEAs may send a team of up to three individuals who will act as coaches or trainers for the LEA. Each LEA team member should attend a different content session to allow for maximum coverage. The three hand scoring session options are:

- English language arts/literacy—Brief Write and Reading
- English language arts/literacy—Full Write and Research
- Mathematics

Participants will have the opportunity to practice, discuss, and receive feedback on hand scoring student responses. There will be a focus on increasing assessment literacy and encouraging work with colleagues to help enhance methods for evaluating student work. All participants who complete the workshop will receive a certificate of completion.

Target audience: LEA teams of educator coaches or trainers (up to three team members per LEA)

Training time: 12:30–4:30 p.m. (Check-in will begin at noon.)

Registration for the Interim Assessment Hand Scoring Workshops is now available at <http://www.caaspp.org/ia-handscoring-workshop.html>. **Please note: The LEA CAASPP coordinator is responsible for registering all team members (up to three).
