Subject: 2019-20 Educator Opportunities for Involvement in the Continual Development of CAASPP and ELPAC Assessment Programs

Measuring the Power of Learning.™

Dear LEA CAASPP coordinator or LEA ELPAC coordinator:

You are receiving this email because you serve as a local educational agency (LEA) coordinator for the California Assessment of Student Performance and Progress (CAASPP) or English Language Proficiency Assessments for California (ELPAC).

The Sacramento County Office of Education (SCOE) and Educational Testing Service (ETS) are looking for educators to get involved in the continual development of assessment programs within the CAASPP and ELPAC programs. This includes the following assessment programs:

- California Alternate Assessments (CAA)
- California Spanish Assessment (CSA)
- California Science Test (CAST)
- English Language Proficiency Assessments for California (ELPAC)
- Alternate English Language Proficiency Assessments for California (Alternate ELPAC)

Specific opportunities for CAA, CSA, and CAST can be found on the [CAASPP Opportunities to Get Involved](#) web page. Opportunities for the ELPAC and Alternate ELPAC can be found on the [ELPAC and Alternate ELPAC Opportunities to Get Involved](#) web page. You will be asked to create an account in the [Educator Opportunities Portal Account Creation Form](#). If you have already created an account, you may go directly to the [Educator Opportunities Portal](#). Information will be submitted to the California Department of Education for review and approval. If you are selected, you will be given more information about the meeting, including travel arrangements.

Travel expenses for the meetings will be prepaid or reimbursed by ETS in accordance with state travel rules and rates. LEAs will be reimbursed for the costs of substitute teachers, or educators will be paid an honorarium of \$150.00 per day (if on noncontract days).

Questions regarding how to get involved in these educator opportunities should be directed to the SCOE CAASPP and ELPAC Project Team, by phone at 916-228-2682 or by email at edopportunities@scoe.net.

Sincerely,

California Technical Assistance Center
